Sub : Grant of medical allowance at the rate of Rs. 100/-
to the pensioners who are governed under CGHS.

Administrative Officer, HWB, Mumbai may please refer to his ID Note No. HWB/IRS/1(10)(G)/Vol.II/1005 December 5, 2000 on the above subject.

As per the DPT orders, medical allowance is to be granted to such of the pensioners who are staying at the places not covered under CGHS. The CGHS is in operation in a limited number of cities/towns and the intention of granting medical allowance is to take care of the outpatient treatment of the beneficiaries who are staying in other places. On this analogy medical allowance cannot be extended to the beneficiaries of CHSS who are staying in the outskirts of the jurisdictional areas of the CHSS in a particular place. This is especially for the reason that even in the case of persons who are staying within the limit of a city like Mumbai in places the dispensary/hospital are not within easy reach because of the distance and perforce they are required to undertake long journey for out patient treatment. This apart admitting retired employees who are getting medical allowance into the CHSS itself is subject to such restrictions as may be imposed by the administering authority vide Note below Clause of 4.2 of the Scheme. Difficulty in going to the dispensary/AMA in the case of the persons explained in the ID note is not, therefore, a reason for grant of medical allowance.
