North Block, New Delhi.  
Dated the 21<sup>st</sup> June, 2013.

**Subject:** Filling up backlog vacancies reserved for Scheduled Castes (SCs)/Scheduled Tribes (STs)/Other Backward Classes (OBCs).

A Special Recruitment Drive for filling up of the backlog vacancies reserved for SCs/STs/OBCs had been launched in November, 2008 and was concluded on 31<sup>st</sup> March, 2012.

2. Achievement of the Drive as reported by various Ministries / Departments on its conclusion revealed that out of total 75,522 identified backlog vacancies, there were 64,175 backlog vacancies which could be filled up and of these, 48035 vacancies were filled up. Overall success rate of the Drive was 74.85%. Reasons for non-filling up of reserved vacancies may be attributed to the lack of finishing skills like English fluency or interview skills, non availability of qualified reserved category candidates for posts requiring professional qualification especially in ST category, scarcity of qualified reserved category persons results in job switch over or not joining after selection as they get better jobs and in some cases selection is done on all India basis whereas allocation is made zone/State wise.

3. The Government considered the status of filling up of backlog vacancies reserved for SCs/STs/OBCs and desired that concerted efforts be made to fill up the backlog vacancies at the earliest and the status of action taken in this regard be monitored at the highest level. Besides, actions on the following measures are to be taken at the earliest to enhance the employability of reserved category candidates:

- (i) In order to fill up the vacancies in the posts requiring professional qualifications, the concerned Ministries/Departments may take a decision within a period of six months on launching of a Special Recruitment Drive providing certain relaxations so that the vacancies may be filled up;
- (ii) Finishing training should be imparted to the reserved category candidates once they complete technical/professional qualifications. Ministry of Social Justice and Empowerment and Ministry of Tribal Affairs would devise such programmes. Such programmes should be implemented with involvement of State and State Administrative Training Institutes.
- (iii) Training programmes for interview skills and English proficiency may also be devised for reserved category persons for posts requiring non-professional qualifications;
- (iv) The issue of providing reserve list/wail list of successful reserved category candidates would be taken up with the Recruitment Agencies so that in a situation when reserved category candidates with higher merit do not join the post, the post may be filled up from the candidates available in the reserved list;
- (v) The issue of less employability of SCs/STs/OBCs and Persons with Disabilities for Government sector may require in-depth analysis of the causes and to suggest remedial measures. It would be appropriate to constitute a Committee with representations from Ministry of Social Justice and Empowerment, Ministry of Tribal Affairs, Department of Personnel and Training, major Ministries /Departments like Ministry of Home Affairs, Ministry of Railways and government recruitment agencies. The committee should find out specific reasons for backlog in filling up of vacancies and suggest measures to enhance the employability of reserved category candidates.

- (vi) More and more posts may be identified for the persons with disabilities. Micro specifications may be made liberal by providing reasonable accommodation/technological help.
- (vii) Schemes may be launched for establishment of inclusive schools/colleges where even persons with disabilities may be able to get education so that the dearth of qualified persons especially in Hearing Impaired category may be taken care of.
- (viii) As regards awareness of opportunity for the Persons with Disabilities, the Non-Government Organisations (NGOs) working in the concerned area may be roped in by the Department of Disability Affairs for dissemination of information about schemes/programmes/job opportunities.

4. All the Ministries /Departments are requested to take follow up action on the decision taken by the Government. Quarterly reports be sent to this Department for monitoring the progress of implementation of these directions.
